

## VETO IS FEARED FOR RIVER BILL

May Not Become Law Unless Railroad Measure Is Satisfactory.

## PLEA OF ECONOMY MAY GIVE EXCUSE

Friends of Waterways Suggest Political Disaster Unless It Carries.

Members of Congress who have appropriations for their districts pending in the rivers and harbors bill are worried. They fear again and again that President Taft will sign the bill unless the railroad bill is enacted in some shape satisfactory to the Administration.

The fact that the President opposed an appropriation bill for the rivers and harbors at this Congress, on the ground of economy, he recalled. All would be a very easy matter for the President, according to the view of members of Congress, to justify a veto of the rivers and harbors bill on the ground that economy demanded it.

From what can be gathered at this time, it appears that the conferees are willing to agree upon \$2,000,000 as a maximum total for the waterways this year instead of the \$2,000,000 carried by the bill as it passed the Senate.

Members interested in the rivers and harbors bill are uneasy over the prospect of obtaining the executive approval of the bill. The recent developments in the railroad legislation program have not served to allay their fears.

There is hope among the friends of waterways that the President may see the political phases of the waterways bill. Supporters of the measure say that it would be an unnecessary handicap for the Republican party to go before the people in the fall election with the record of having defeated it. They say the party would undoubtedly be punished for such action.

Members of the Senate Committee on Commerce do not expect Senator Burton, who made a minority report, to press his objections to the bill before the President.

## MINISTERIAL UNION OBJECTS TO FIGHT

Jeffries-Johnson Match Proposed By Representatives of Eighty Churches.

SAN FRANCISCO, May 5.—Resolutions adopted by the Presbyterian Ministerial Union, representing eighty churches and congregations around the bay, were sent yesterday to Governor Gillett, Attorney General Webb, Sheriff Barnett, of Alameda county, and District Attorney Donohue.

The resolutions are aimed at the proposed prize fight between Jeffries and Johnson at Emeryville race track for the heavyweight championship of the world, which they denounce as "not an athletic contest, but a brutal and disgusting fight between a negro and a white man," and "a disgrace to the national anniversary."

In the preamble it is protested that the death of Tom McCarthy last week proves the lives of Jeffries and Johnson will be endangered, also that California will be brought into unfavorable notoriety and that many undesirable persons will be brought into the community if the fight is permitted.

## No Man Can Long Be Stronger Than His Stomach

If your stomach is weak and constantly upset, you must quickly do one of two things.

Allow the rest of your body to become as weak as your stomach.

Or make your stomach as strong as your body.

There is only one choice for those who want to live and enjoy life, and that is to make the stomach as strong as the man.

This can best be done by using the prescription of a specialist that in years of practice gave immediate relief and permanent cure to 95 per cent. of the people who used it.

This prescription is now put up in tablet form and is known from coast to coast as Mi-o-na.

Mi-o-na stomach tablets, most people call them, and they are guaranteed to cure indigestion (acute or chronic) or any upset condition of the stomach, or money back.

In five minutes they give relief from heartburn, acid stomach, gas on stomach, belching of sour food, fermentation, heartburn and waterbrash.

Taken for a few days Mi-o-na stomach tablets will cause biliousness, dizziness, nervousness and that dragged down feeling to disappear.

If you suffer from stomach trouble get a large 50 cent box of Mi-o-na stomach tablets today and put yourself on the road to health.

Herbert H. Taylor, a thoroughly reliable business man of 501 West 143rd St., New York, writes: "I have been a terrible sufferer from dyspepsia and gastritis for two years.
